

Centre Exam Date Request

Centre: _____

Representative: _____

Daytime Tel No: _____

Please complete the table below and return with your exam entries:

Preferred practical date(s), if any, in order of preference	Date(s) / day(s) to avoid	Address and telephone number of venue(s)	Is the venue booking confirmed?	
			If yes, give any time restrictions	If no, give your preferred start and finish times

We will endeavour to meet as many requests as possible, but tour dates are subject to examiner availability, and need to be arranged economically. Generally speaking, the smaller the entry from a centre, the more flexible we need you to be regarding exam dates. In Wales, Scotland and Ireland, in particular, it would be helpful if centre reps could communicate with each other regarding date requests, to help us in tour planning.
